# About Us

**Get more leads, more sales with the internet marketing agency you can trust.**

## **No Restrictive Contracts, No Hidden Fees.**

When you sign up with Captain Marketing, we won't trap you with lengthy contracts or complicated fee structures. One price per month does it all, and we only ask for 30 day written notice before you cancel! For almost a decade, we've been providing online marketing services to small and midsize businesses across the United States. Today, we're recognized by independent evaluators at TopSeos.com as one of the leading internet marketing firms in the nation.

## **Discover the Captain Marketing difference.**

With total transparency, regular reporting and 24/7 access to your latest performance metrics, we make it easy for our customers to measure performance and results. And with value-packed, affordable programs at every price point, we're also far more effective than more expensive marketing firms too. Everything we do is focused on your ROI.
